Lífshlaupið
Your health – enjoy it

Lífshlaupið is a health and motivational project by the National Olympic and Sports Association of Iceland, aimed at all age groups. In Lífshlaupið all Icelanders are encouraged to focus on their daily physical activity and increase it whenever possible, whether during leisure time, at work, in school, or when choosing a mode of transportation. All physical activity can be registered if it totals at least 30 minutes per day for adults and at least 60 minutes per day for children and adolescents.
